

Paint Night

For Centurion Sea Cadets

Paint Night Fundraiser

We are holding a paint night fundraising event for the Centurion Sea Cadets. Although the cadet program is a no cost program there are activities and supplies which are not covered by the program. The Navy League of Canada Kanata Branch is the parent group that raises funds to support the Corps and ensure that every cadet gets the most out of the program.

Please contact Shannon Rempel Vice President, Navy League of Canada - Kanata Branch shannonrempel@hotmail.com to register and arrange payment.
